## DID YOU KNOW...

---

**M-O's** Vancouver terminal is actually located in **Surrey, BC** and opened all 80 of its doors six years ago in 2016?

The **M-O** team in Vancouver has been integral in steering the success of our first fully functional Transload program which began last year, and because of this success, **M-O** is working to replicate the program in two new locations in the near future.

A special thank you to our team in Vancouver as well as our teammates, partners and customers across the country who have helped support this project. Keep an eye out for the launch dates of our new Transload locations, coming soon!
